

**YOUR QUESTION
SHREE SAIBABA'S ANSWER**

Shree

Sixty years ago Shree Sainath Maharaj lived at Shirdi. Although he was God incarnate, he was living in the society as a human being. He had knowledge of every things. He taught meaning of life to the fortunate few who lived near him so that they could attain eternal bliss. He had no attraction of material things. He never differentiated among people and taught every body how to behave humanly in the society.

Shree Sainath Maharaj lived at *Shirdi* throughout but was not in habit of going to houses of other people. He used to stay in place called '*Dwarkamai*' or near '*Chawdi*' (the holy places in village where people often meet). Many devotees used to meet him with some problems or questions in their mind. *Shree Sainath Maharaj*, however, used to answer their questions or advised on their problems before devotees could express what was in their mind. He would ask some body to read '*Ramayana*' and some other to visit temple of God '**Khandoba**'. He would ask some one to donate food or something else to another. He used to satisfy all devotees by giving advice and also convince those who used to come to him with doubts in their mind.

Shree Sainath sometimes used to accept offerings made by devotees but used to return to him thousand fold. He was never in debt of anybody. Service to the poor and distribution of food were his favorite things.

Shree Saibaba's fame was spread all over India by Shr. Dasganu maharaj and Shri Govind Raghunath Dabholkar wrote a book in Marathi on the life of *Shree Sai Maharaj* titled "*Shree Sainath Satcharita*" an invaluable book offered to Marathi discipline who are grateful to him.

I was a follower of Shri Dabholkar in eternal love of *Shree Sainath Maharaj*. In this process I came in contact with late Shri Keshavrao Sathe. That was added to my pleasure through him I learnt how to preserve happiness in the ups and downs in the life.

I am very much indebted to *Shree Sainath*. I pray that I should get an opportunity to serve him forever.

READ THIS FIRST CAREFULLY

As is the feeling in one's mind so is one's experience.

Dear readers! The answers in this book of *Shree Sainath Maharaj* were in our house. My family members and myself use to seek guidance from these answers in difficult situations. I have a strong belief in these answers and I feel that it can never be wrong. Few of my friends who knew this, used to come to me in difficult situations and get guidance from these answers.

One girl of my acquaintance told me that her brother was having an affair with a girl for 4 – 5 years, without any intention of getting married. Because of this her family members were feeling ashamed. I listened to her since I did not have any answer. We referred the problem to *Sainath*

Maharaj and sought guidance. The answer was, “have sweets distributed as Prasad’ at the time of worship of *Lord Satyanarayan*, then everything will be alright”. On further enquiring about the worship of *Lord Satyanarayan*, I came to know that the family had decided to perform Satyanarayana Pooka last year however due to a death in the neighboring house the program was cancelled. The girl, within a week, performed Pooja of *Shri Satyanarayan* and offered the sweets of the Pooja to *Shree Sainth Maharaj* and in no time her brother had a registered marriage with the same girl. Now they are happy.

In other case a boy was arrested by the police without any specific charges and all the efforts made by his sister to free him from the custody through influence and through known persons, failed. Subsequently, on referring to the answers, solution given was to distribute food worth Rs. 10/-. On distribution of food the boy was released from the custody without any charge.

One gentleman known to me was going to sell his house for Rupees Twenty thousand thinking that he will not get any purchaser for the same but before doing the deal he came to me and referred his question. He got reply that wait for two days, and act as per letter that will be received. He got a letter from Nagpur stating that, ‘I am coming to Bombay for the deal.’ Subsequently the deal was completed and my friend received Rupees 7 – 8 thousand more.

My another friend had come to my house. He asked *Shree Sainath* a question. Answer received – fulfill the two vows taken previously. I was wonderstruck, because of this answer. I asked my friend about this. My friend then said that what *Sainath Maharaj* said is true. I got Rupees 8 – 10 thousand in dealing of land but the vows I had taken have remained to be fulfilled.

My friend’s wife had lost her gold ring weighing 10 gms. For that question, answer had come that ‘donate milk and you will be free from worry’. Friend’s wife received back her lost ring on donating milk.

A person known to me was curious about these answers and hence he came to see me. Answer to the question in his mind was ‘All work will be completed on the full moon day’. However, my friend told me that the deal is likely to be completed by tomorrow itself since all the concerned people are meeting at the advocate’s place, although as suggested in the answer, full – moon day is still 12 days away. I kept quiet since the answer was not mine, but of *Shree Sainath*. After a few days friend came to me and told me that inspite of their efforts the deal was completed on the full moon day only.

Many of my friends desired that for the benefit of the society the book containing the answers of *Shree Sainath Maharaj* should be published and made available to all. I was also of the same opinion. Hence with lot of courage I asked the question and I got the answer that ‘keep quiet’, remember *Shree Sai*. Hence, I kept quiet for the last 2/3 years.

After 3 years when I again asked the question, the answer was, ‘Do not worry, you will get co – operation from all’. With this inspiration in the mind I tried to publish the book. One gentleman known to me agreed to provide finance, but he insisted for 8 to 10 legal conditions I accepted all these conditions but told him that we will also get confirmation from the answers of *Sainath Maharaj*. ‘We got the answer, “If you act like this you will fall sick” I humbly rejected his proposal.

One of my friend is a painter. He asked a question as to when his sister will get married. He got the answer, that ‘you will have ‘*Darshan*’ of ‘*Pandurang of Pandharpur*’; four persons will meet together, journey will take place, etc., My friend told me that “these answers are not convincing. I have no faith”. I did not say anything because answers given was of *Shree Sainath* and there is no need for me to worry about it. After having tea, in an half hour my friend told to me, that a rich person has called him for painting the statue of lord ‘*Panduranga*’ since festive day of *Ekadashi* (Eleventh day of the Hindu month) is approaching, the idol of *Lord Pandurang* has to be painted. Should I consider the same as the *Pandurang of Pandharpur*?

On his saying I did not say anything and prayed to GOD I remembered *Shree Sainath Maharaj* and said

“As is the feeling in one’s mind, so is one’s experience”

Please experience these answers and do not take it as fun.
